

# Looking for office space with integrated warehousing?

# Discover Weald House & Warehouse

Weald House is a standalone office building with integrated warehousing.

Recently refurbished, this fresh and flexible space is ideal for an established or growing business.

Based in Marden, Kent, Weald House & Warehouse benefits from quick access to London, the South East and other nearby transport links.

With spacious units, plenty of natural light and easily accessible parking, Weald House is a great place for any type of business looking for both office/commercial and warehousing/storage space.
